

Quick Reference Guide: WaveWorks Sign in Page Update

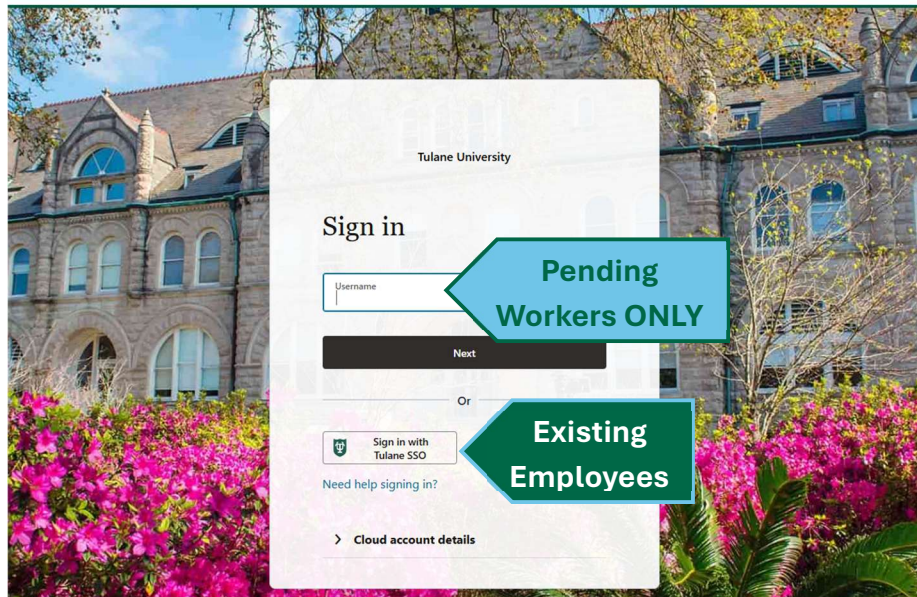

Purpose:

On July 25, 2026, the WaveWorks sign in page will be updated. This update will change where the Tulane SSO (single sign on) button is located.

Current Tulane employees will continue to sign into WaveWorks using the Tulane SSO button.

Onboarding or pending employees will need to sign in using the Username/password option.

Announcement : Login system has been updated over the weekend. Current employees must use Tulane SSO. Pending workers please use Username/password.
